

Imagine escaping your home with nothing but your children and the clothes on your back; as a child, imagine leaving all of your favorite toys behind and moving to a strange place, sensing and seeing the effects of your parent's uncertainty and fear.

Your donation will help bring normalcy and JOY to a child's life during the Holiday Season.

There are two ways to give back this holiday:

- 1) Monetary donation accepted by check, cash (by mail or give us a call to schedule a pick up/drop off) or through our website (see link below)
- 2) Get matched up with a family and their wish lists!

No gift is too large or too small. We appreciate whatever you give!

All donations are tax-deductible.

No unused gift will be turned down, but please try to have your gifts accepted by December 16th!
